Additional Information**How Received:****Request Details:**

Anne from 16 Prospect Hill Rd (to the rear of 599 Point Nepean Road) has called through and advised me of earthworks that are occurring in southern corner of 599 Point Nepean Road and abutting her property. There is currently a planning permit (P18/0533) on advertising for works at 599 Point Nepean Road but there are no details of works in this corner. Anne is concerned due to the land being of high susceptibility that these works may have required a planning permit. It is unclear how much cut/fill has occurred and if it has occurred on her property.
