Gerrard R Borghesi & Bronwyn L Borghesi
10-12 View Point Road
MCCRAE VIC 3938

Dear Sir/Madam

RE: 10-12 View Point Road MCCRAE VIC 3938

As you may be aware, I conducted inspections of the above mentioned property on 18 November 2022, 28 March 2023 and 06 February 2024. The inspections identified that the subject property and adjoining properties have been affected by a landslip.

Pursuant to Section 106 of the Building Act 1993, the Municipal Building Surveyor is required to detail these matters in the form of a Building Notice as attached. You are now required to "Show Cause" within 30 days why you should not comply with the directions of the Building Notice, before we consider further enforcement action.

Please find attached a copy of the Building Notice and a Building Notice Response form for you to complete and return it as per the directions at the bottom of the Building Notice Response form.

It is imperative that you respond to the Building Notice within the 30 day period.

It is important you read all of the attached information and do not commence any further works until we have reached agreement based on your response.

I draw your attention to your appeal rights as noted at the rear of the Notice. Should you require any clarification, please do not hesitate to contact me on (03) 5950 1060.

Yours faithfully

Notes

1. Representations by owner and cancellation of Notice

Under Section 109 of the Act an owner may make representations to the Municipal Building Surveyor about the matters contained in the Building Notice. Any representations are to be made in writing to the Municipal Building Surveyor before the end of the 'show cause' period. The Municipal Building Surveyor may cancel a Building Notice if he considers it appropriate to do so after considering any representations made under Section 109.

2. Building Order

Subject to Section 107 of the Act, the municipal or private building surveyor may make a building order under section 111 after the end of the time allowed for making representations.

3. Appeals to the Building Appeals Board

Under Section 142(1) of the Act, an owner of a building or land may appeal to the Building Appeals Board against a decision to serve a building notice, a failure within a reasonable time, or refusal to cancel a building notice. In accordance with Section 146 of the Act and Regulation 271 of the Building Regulations the prescribed appeal period is 30 days from the date of the building notice.

4. What is a Building Notice?

A Building Notice is a 'show cause' Notice. In simple terms, the recipient of a Building Notice is required to provide the Municipal Building Surveyor reasons with why he or she should not comply with the directions detailed in the Notice.

5. Why has a Building Notice been issued?

An authorised officer of the Statutory Building unit has recently inspected the property and identified general safety/non-compliance building related issues. The Municipal Building Surveyor is responsible for addressing these issues in the form of a Building Notice as required by Section 106 of the Building Act 1993.

6. What are you required to do?

It is in your best interest to respond using the attached Building Notice Response form.

7. Building Notice Response Form

You have the option to agree with the direction issued by the Municipal Building Surveyor or provide other written representation or documentation. The Municipal Building Surveyor may request further information after considering your response.

8. Building Order

A Building Order is the next step in the process. If a Building Order is issued, you will be required to undertake the directions of the Order within the stated timeframe. Importantly, compliance with a Building Order is enforceable in the Magistrates Court.

9. What if you do nothing?

The intention of the Building Notice process is to open a discussion between yourself and the Municipal Building Surveyor regarding the issues identified. In the event the Municipal Building Surveyor does not receive a response, a Building Order will be issued containing the same directions detailed within the Notice.

10. Due date calculation

The due date is calculated by adding 5 days postage time to the 30 day show cause period.

**If you require any further information, please contact Claudio Flores of the
Statutory Building Unit on (03) 5950 1060 or 1300 850 600.**
