Hi all,
 Ben and I have had an online meeting with Davin the Geotech Engineer and based on our discussions we will be cancelling the Emergency Building Orders with restrictions/conditions for the following properties:

- 10-12 View Point Rd –
- 14-16 View Point Rd
- 3 Penny Lane
- 1/613 Pt Nepean Rd
- 2/613 Pt Nepean Rd
- 4/613 Pt Nepean Rd

Additional orders will be issued to 10-12 View Point Rd and 14-16 View Point Rd directing the restriction of access within 3m of areas deemed a possible risk.

As per the advice, this does not apply to 2 Penny Lane and 3/613 Point Nepean Rd and the Emergency Orders to vacate will remain in place.

I will have these finalised asap and please contact me if you have any questions

Hi Chris,

Based on my review of the site yesterday which identified that any current movement is limited to the cliff face up slope of 2 Penny Lane and 3/613 Pt Nepean Rd and does not extend significantly up slope of the crest of the cliff it is appropriate for the occupiers of the remaining houses to return to their properties.

Furthermore, we have provided individual counselling to each of the occupiers with regard to appropriate hillside practice and also signs to look for that could identify potential ground movement outside the area currently affected by the landslide.
