Leak Address	21 Browne Street McCrae Victoria 3938 Australia
Zone	South East Water ► Reactive Leaks
Leak Asset Type	No Leaks Found
Has the leak been called in by DS Technician?	No
Job Ref	LD0015
Leak Visible	No
Comments	<p>No leaks found. No movement on meter. Turned garden tap on & off. Pressure seems normal</p> <p>Possibly air trapped inside customer pipework after installing new meter causing issues. Air may need to be flushed out of pipes.</p> <p>House is halfway down dead end main & they are working on the water at the top of the street.</p>
