Dear Sir/Madam

RE: 3 Penny Lane MCCRAE VIC 3938

An inspection of the above property was undertaken on the 14 January 2025. The buildings and land have been identified as a potential risk to the life safety of any occupant. This is due to the landslip that has occurred at the property known as 10-12 View Point Road, McCrae.

Pursuant to the Section 102 of the Building Act 1993, the Municipal Building Surveyor is required to issue an Emergency Order on the owner or occupier building/land/place of public entertainment if he is of the opinion that the Order is necessary because of a danger to life or property arising out of the condition of the building and land.

Please find attached a copy of the Emergency Order.

It is imperative that you address the items in the Order immediately, non compliance with the Order can carry a penalty of 500 penalty units for a natural person or 2500 penalty units for a body corporate (one penalty unit equates to in excess of \$165.00).

I draw your attention to your appeal rights as noted at the rear of the Order.

Once the directions in the Order have been completed please contact me to confirm such and arrange any required inspections.

Should you require any clarification, please do not hesitate to contact me on (03) 5950 1060.

Yours faithfully
