Details: Refer P02/1833 Dwelling :-

- 1) A retaining wall has been constructed on the west boundary abutting 10-12 View Point Road,
- 2) There is a container shed on the nature strip,
- 3) There appears to be earth movement with 100mm wide cracks appearing on the side of the slab. It appears the site has been deserted for some time with no building works undertaken in months
