Dear McCrae Residents,

Thank you for your attendance at yesterday's Community Meeting. As I mentioned, I am the nominated council Municipal Recovery Manager and will be in charge of the recovery process from council. Our commitment is to provide you with timely information on the progress of the recovery actions under the four areas I spoke about being; Social Environment, Built Environment, Natural Environment, and Economic Environment. Further information on Recovery can be found in the [State Emergency Management Plan](#) and the [ERV Recovery Framework](#), both of which I referenced in today's meeting.

To assist you with your enquiries, and direct them to the most appropriate person to answer, the following email addresses have been established;

- mccraerecovery@mornpen.vic.gov.au (monitored by the Community Resilience and Emergency Management Team) and used for enquiries relating to all aspects of recovery.
- mbssupport@mornpen.vic.gov.au (monitored by the Building Survey Team) and used for enquiries on the Emergency Order only.

McCrae resident John D'H **I&S** to arrange a What's App group amongst affected residents. If you would like to join, please email him on j. **I&S** to arrange access.

The Community Resilience and Emergency Management Team, along with the broader McCrae Landslide Recovery Committee, are here to assist you with the recovery.

A further update will provide later this afternoon regarding site security.

Your sincerely,
 Andrew
