**I&S** is the Owner for **I&S** cook street the property that runs int ers at 37 Cook Street has removed all vegetation from the block of land.

the rain on friday and saturday which was not heavy rain has caused a mudslide into **I&S** cook street and moved alot of the top soil. they attached video of the flooding going into the house via refernce 2229554. worried about drainage and the future of the hillside. there are 3 property's affected numbers 27,29 and 31.

also when they were taking down the trees a log rolled down the hill and smashed thier windows ( the owner of 37 paid for the damages of that)

Please investigate
