Dear Emily and Andrew,

We understand there have been further monitoring results provided by PSM to Council in addition to the below, of which we do not have copies. Andrew we would be grateful if we could be copied to further emails sent to Council of these moving forward.

Can you please provide copies so that we can include in the brief to Adam Landar.

Emily, Minters have also requested copies of same (in respect of the Board).

Kind regards,

Leesa Hovendene

Hi Emily,

Please find attached our monitoring memorandum.

Some of the charts presented last week by email have been re-processed. This process identifies instrument noise (e.g. from one of the GPS sensors).
