Dear Andrew,

Council has confirmed instructions for PSM to proceed with Items 1 - 3 of the attached proposal.

In the first instance, Council is requiring the owners of 10-12 View Point Road to undertake the works, however Council would like to have the feasibility and design completed so it can proceed with the works as soon as possible if the Borghesi's do not undertake the works within the time specified by the MBS.

Kind regards,

Leesa Hovendene
