

Meeting Booked with Gerry – 30/05/2025

Purpose of meeting – To allow Gerry and Bronwyn to retrieve items from their house and discuss remediation works.

Gerry and Bronwyn exchange a “hello” with David and Tom and then go straight into the house to retrieve their items. Originally it was a couple of shirts to be retrieved however multiple suitcases, empty cardboard boxes and manuals of stolen tools, where retrieved over a 30 minute or so period.

Little to no conversation had between us and the Borghesi’s

Dave notes to Gerry that he has to go down to another meeting ten minutes prior to leaving, Gerry states they would not be able to have a discussion in ten minutes and they have to reschedule it.

Dave had to leave to go and meet with the Bolch’s so meeting was rescheduled to the following week.
