*****Customer Response Management*****

Does customer wish to be contacted: Yes**Request Details:**

Customer concerned about the abandoned pipe (endwall) which used to discharge into the gulley (gulley has since been filled in) believes it may have been a 525-600dia pipe - overnight a large hole has appeared in the nature strip abt 15m in from Coburn Ave (customer is also concerned that No. 22 Prospect Hill Rd might have some flooding) the hole is currently empty and customer is concerned that the water may be running under the fill (old pit about is 900mm square) please attend to make area safe
